The AAA's Rules provide the AAA with the authority to administer an arbitration including, arbitrator appointment and challenges, general oversight, and billing. Accordingly, arbitrations that proceed without AAA administration are not considered AAA arbitrations, even when the parties select an arbitrator who is on the AAA's Roster.

The information contained in this resume has been supplied solely by the individual arbitrator and may, or may not, be a complete reflection of their experience. The AAA assumes no responsibility for the content, completeness, accuracy, or reliability of the information contained in an arbitrator's resume. If you have any questions about an arbitrator's experience or background, you are encouraged to contact your case manager.

Arbitrators on the AAA Roster are not employees or agents of the AAA.

subcontractors, suppliers, owners, public entities and professional service organizations.

Alternative Dispute Resolution Experience

Arbitrator for AAA since 1986, and mediator since 2000. Represented numerous clients in AAA arbitration proceedings. Conducted over 300 arbitrations and mediations. Represented contractors in structured negotiations with the Army Corps of Engineers, private mediations with subcontractors, and before the North Carolina Department of Transportation. Served as DRP (Dispute Resolution Panel) Chair on U.S. 181 Harbor Bridge Project in Corpus Christi, TX; served as DRB chair for the \$1.7B Silver Line Dulles Phase 2 Metro rail Project; served on DRB for \$1.2B I-70 Central Corridor interstate highway renovation in Colorado; serving as DRB chair on \$5.6B Purple Line Metro Rail Project in MD. Serving on DRB for NYDCC for Rockaway Beach Municipal Center; serving on DRP for the \$1.6B Dallas Southeast Connector Project. Served as party appointed arbitrator in a large energy construction matter before the London International Court of Arbitration. Served as a sole arbitrator on an International project on a large tank manufacturing project. Strong experience in energy-related projects including power plants, solar fields and wind farms - have done 15-20 of these projects over the last 10 years. Also mediated numerous construction cases throughout the country in similar sizes and discipline described above.
