The AAA's Rules provide the AAA with the authority to administer an arbitration including, arbitrator appointment and challenges, general oversight, and billing. Accordingly, arbitrations that proceed without AAA administration are not considered AAA arbitrations, even when the parties select an arbitrator who is on the AAA's Roster.

The information contained in this resume has been supplied solely by the individual arbitrator and may, or may not, be a complete reflection of their experience. The AAA assumes no responsibility for the content, completeness, accuracy, or reliability of the information contained in an arbitrator's resume. If you have any questions about an arbitrator's experience or background, you are encouraged to contact your case manager.

Arbitrators on the AAA Roster are not employees or agents of the AAA.

Hawaii; sole arbitrator on a \$16M dispute on cable stay bridge project; ; and sole arbitrator in a \$20M dispute on a high speed rail project in California. Mediated hundreds of disputes, one in excess of \$600M.

Has contract negotiation and claim resolution experience on a nationwide basis with particular expertise in Pennsylvania, Puerto Rico, Florida, Hawaii and Guam. Pennsylvania experience includes negotiation of the largest Construction Management agreement in the history of Allegheny County (Greater Pittsburgh International Airport - \$850m mega project) with multiple millions of dollars of claim resolution. Worked in Puerto Rico for over 12 years and negotiated a \$350m EPC contract with a governmental agency along with numerous other private and public contracts and claim resolutions. In Florida, has more than 25 years of experience on such projects as Crystal River Nuclear Power Plant, Jacksonville Electric Authority St. Johns River Power Park, new Ft. Myers International Airport, new Miami Federal Courthouse, Orlando Utility Commission New Stanton Energy Center, Pensacola Naval Air Station and a luxury condominium in Ft. Lauderdale.
