The AAA's Rules provide the AAA with the authority to administer an arbitration including, arbitrator appointment and challenges, general oversight, and billing. Accordingly, arbitrations that proceed without AAA administration are not considered AAA arbitrations, even when the parties select an arbitrator who is on the AAA's Roster.

The information contained in this resume has been supplied solely by the individual arbitrator and may, or may not, be a complete reflection of their experience. The AAA assumes no responsibility for the content, completeness, accuracy, or reliability of the information contained in an arbitrator's resume. If you have any questions about an arbitrator's experience or background, you are encouraged to contact your case manager.

Arbitrators on the AAA Roster are not employees or agents of the AAA.

Represented a diverse array of clients in complex construction and energy disputes and negotiations, including project owners, developers, contractors of all tiers, financial institutions, and public entities.

Experience includes:

- Mega Construction Projects: Involvement in manufacturing, co-generation, solar, wind, natural gas, nuclear, and power plant projects.
- Governmental Investigations: Expertise in OSHA violations, False Claims Act, and Foreign Corrupt Practices Act claims, including federal and state criminal investigations.
- Real Estate Matters: Litigation and business representation for builders, developers, and financial institutions.
- Insurance Coverage Disputes: Declaratory Judgment and other litigation involving bonding companies, sureties and other carriers

Commercial Arbitration Expertise: (Representative examples)

Expertise spans a wide range of commercial disputes, including:

- Financial, Accounting, and Bankruptcy Disputes: Handling cases involving fraud, misappropriation, and corporate espionage.
- Pharmaceutical and Intellectual Property Disputes: Addressing trademark and trade dress conflicts, franchisor/franchisee issues, and manufacturer/distributor disagreements.
- Contract and Partnership Disputes: Resolving joint venture, license, partnership, and shareholder agreement issues, along with lender/borrower conflicts.
- Supply Chain and Logistics Disputes: Managing disputes related to commercial sellers/vendors and warranty matters under the UCC.

Alternative Dispute Resolution Experience

Alternative Dispute Resolution Experience: (Representative examples) Frequently serves as an arbitrator, mediator, and Dispute Resolution Board member, including as Chair, in complex, multi-party commercial and construction cases and public design build projects. Years of experience in handling:

- Breach of Contract and Fraud Claims: Including financial misrepresentations in M&A deals and construction disputes.
- Cyber Theft and Corporate Espionage Claims: Addressing issues in engineering, manufacturing, and energy sectors.
- Franchise/Distributor Disputes: Resolving conflicts in the transportation and logistics industries.

Technology Proficiency

Adapt at conducting virtual arbitrations and mediations using platforms like Zoom, Microsoft Teams, and GoToMeeting. Significant experience managing ESI and predictive coding in complex cases and teaches ethics in AI.

Education

University of Illinois, Urbana-Champaign, Illinois (JD-1987; BA, International Economics-1984); University of Dijon (University of Burgundy), Dijon, France: semester abroad program (1982-1983).
